Eynesbury College

Your pathway to success

Eynesbury College has been providing exceptional pathways to prepare students for university since 1989. We offer **Foundation Studies, Diploma** and **English** language programs (ELICOS).

Study in one of the most liveable cities in the world*

Eynesbury College is located in central Adelaide, capital city of South Australia. The city is safe, friendly, easy to navigate and has a wonderful philosophy of celebrating food, festivals and culture. Adelaide offers plenty of accommodation and employment opportunities and is up to 12% more affordable than other Australian metropolitan cities (2022 EIU Cost of Living Survey).

*#12 in the 2023 EIU Global Liveability Index

Fast-track options, multiple intakes and scholarships

With intakes in February, June and October, students can start their studies when it suits them best. It is possible to complete Foundation Studies or a diploma in as little as 8 months and fast-track into the second year at Flinders University for most programs, subject to program and academic requirements.

Eynesbury offers scholarships for eligible students. For more information scan the QR code.

Accommodation & cost of living

Students can choose from a range of accommodation options when studying at Eynesbury College. For more information about accommodation options visit: www.eynesbury.edu.au/accommodation

Average **weekly** living costs in Adelaide (to be used as a guide only):

- Accommodation (shared or single): A\$150 - A\$450
- Food: A\$60 - A\$100
- Transport: A\$15
- Telephone/internet: A\$25
- Bills (electricity/gas): A\$30 - A\$50
- Entertainment: A\$80

Student leadership and involvement

Eynesbury College offers a Student Leadership Program to ambitious students who want to develop their leadership skills and support the student community. All students have the opportunity to make new friendships and join monthly student events and activities, such as job search workshops, excursions, BBQs and various cultural celebrations.

Small class sizes and academic support

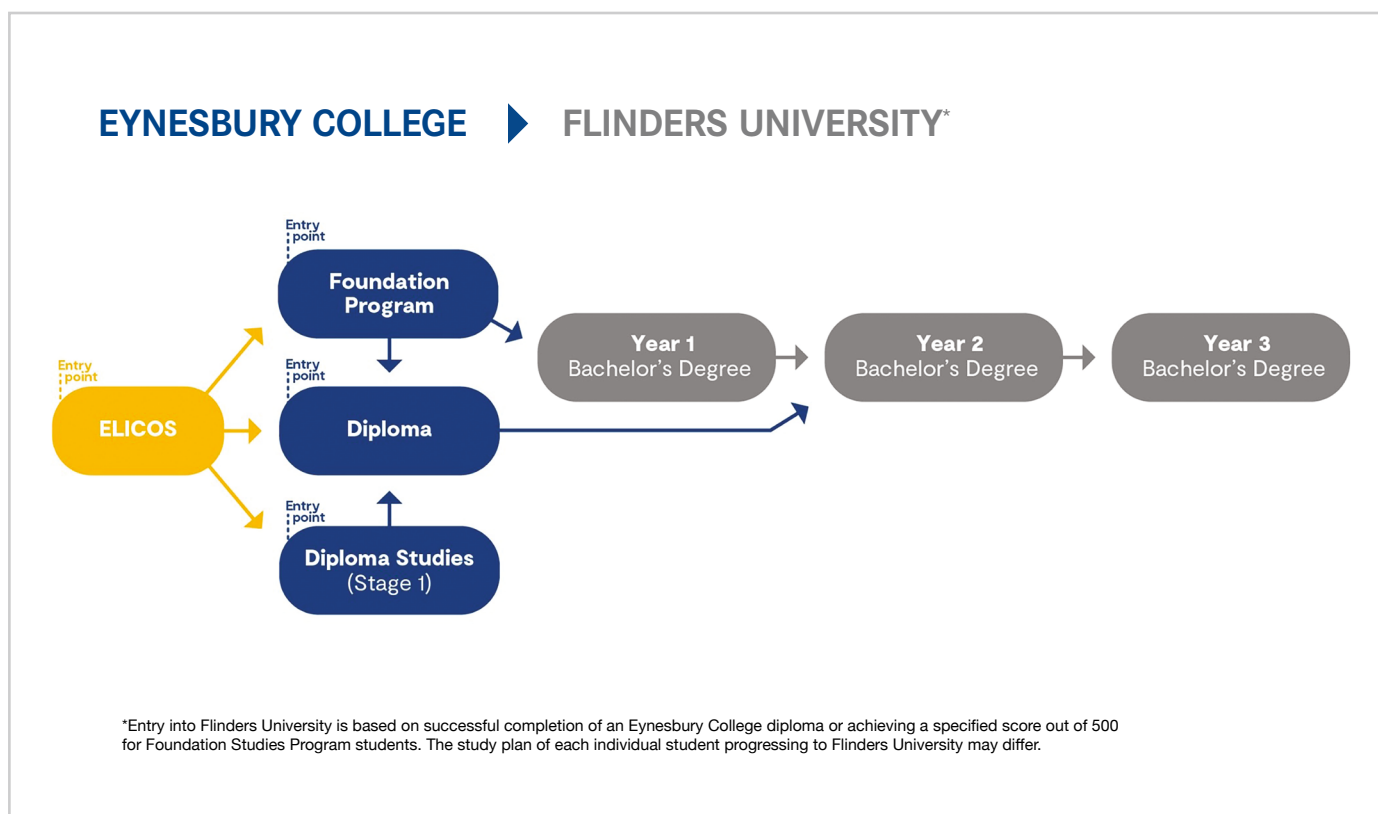

Eynesbury College offers small class sizes, experienced teachers and close academic guidance to support students in preparation for university. A dedicated team of student support staff provide a range of services, information, learning support and counselling to students throughout their studies at Eynesbury.

The campus has disability access as well as modern facilities, equipment and learning resources, including computer rooms, kitchen facilities, a resource centre, dry and wet laboratories and break out areas.

Your pathway to Flinders University

Eynesbury College has offered a selection of fully accredited pathways to Flinders University since 1995. We are committed to helping you find the perfect program and will support you on your journey to fulfill your academic dream.

Foundation Studies Program

- Foundation Studies Program (FSP) is an 8 or 12 month program, which prepares students for entry into first year undergraduate study, or an Eynesbury Diploma
- Ability to package with most undergraduate programs at Flinders University
- Eynesbury FSP is recognised by other Australian universities, including the Group of Eight
- A wide range of modules allow you to meet degree pre-requisites
- Students in our FSP consistently achieve excellent results

Diploma Programs

- Eynesbury Diploma programs are specialised into streams of Business, Engineering and Computing & IT
- Eynesbury College offers two different types of Diploma programs: One Year Diploma pathway and Two Stage Diploma pathway
- Multiple intakes allow students to complete the Diploma in as little as 8 months, with direct entry into second year at Flinders University for most programs, subject to program and academic requirements
- Students will study equivalent course content as is taught in the first year of the university degree

ELICOS

Eynesbury offers accredited English Language Intensive Courses for Overseas Students (ELICOS) for students who wish to gain entry to undergraduate or postgraduate degrees at Flinders University without sitting an IELTS test. Cost: A\$400 per week. Visit www.eynesbury.edu.au/flinders/elicos for more information.

Be fearless with Flinders University

Flinders is everything a modern university should be – progressive, student focused, and career minded. It is everything you need to be fearless and excel in your studies and chosen career.

Progressive

Being fearless starts with fearless thinking

Every day at Flinders University, we search for greater understanding and ideas that will make a difference to our world. Globally recognised and ranked in the top 2% of universities worldwide[^], research and creative endeavour have been at the core of our identity since inception. Flinders works closely with industry and the community to provide practical education supported by leading research, in state-of-the-art facilities.

Student focused

Our success is yours

At Flinders we are focused on student success and provide a wide range of specialist international services and programs to support your transition into study at Flinders and life in Adelaide. As the No.1 South Australian university for student support^{*}, you'll find world-class support services from before you arrive until you graduate, with peer mentoring, academic and English language assistance, prayer/multi-faith rooms and a personalised learning approach designed specifically to help you succeed.

Career minded

Invested in your future

A university degree provides you with more job options. But a globally recognised, industry-accredited Flinders degree prepares you for a satisfying career in your chosen area. Gain specialised skills and knowledge while developing portable qualities like independent thinking, communication, collaboration, ethics and creativity – qualities shared by innovators, entrepreneurs, pioneers, creators and trailblazers. Flinders has a high level of industry connections with global leaders including CISCO and BAE Systems, which means you'll have the opportunity to take up practical placements and industry projects, so you can graduate job ready and ahead of the curve.
