Eynesbury College ADELAIDE | Adelaide University

2026/ 2027

International Student Guide

Pathways to success at Adelaide University

Your Advantage *Starts Here*

Study a pathway program with Eynesbury College and begin your journey to Adelaide University.

At Eynesbury College, we open the door to one of the world's top universities.

For more than 30 years, we have delivered trusted pathway programs that empower international students to succeed.

Our students progress to **Adelaide University**, a member of Australia's prestigious Group of Eight - a network of the nation's most research-intensive and globally respected universities.

Fast-track your future

Complete your program in 8 or 12 months and progress into one of 200+ degrees at Adelaide University, from business, science and IT to health, engineering, and the arts.

Under-18 friendly

We welcome students under 18 and provide tailored support, including welfare checks, homestay placement, and 24/7 care.

Direct entry to second year

Study a Diploma and gain entry to second year of a wide range of Bachelor degrees. Graduates also receive an AQF Level 5 qualification, nationally recognised for both university and workforce readiness.

Exceptional student support

From study skills to counselling and career advice, our dedicated support teams are with you every step of your journey.

On-campus experience

Study right on Adelaide University campus, with full access to libraries, labs, cafés, sports clubs, and student services.

Personalised learning

Benefit from small class sizes and supportive teachers who know you by name and want you to thrive.

Prime city location

All three of our campuses are in the heart of Adelaide, steps from the university campuses, cafés, restaurants, and public transport.

Top student experience

Make friends, join cultural events, and become a Student Ambassador to build your leadership skills and receive a formal certificate of achievement.

Built on Legacy. Shaping the Future

The Path to the New Eynesbury College - EC

Eynesbury College and the South Australian Institute of Business and Technology (SAIBT) have led the way in delivering trusted university pathway programs in South Australia for over 30 years.

Now, our two proud institutions have united under one name: Eynesbury College.

This unification brings together the strengths, expertise, and rich histories of both colleges to create one future-focused institution.

Guided by a shared purpose, we remain committed to providing exceptional pathways to Adelaide University.

Learn more about Eynesbury College and SAIBT's shared history

Our **Pathways**

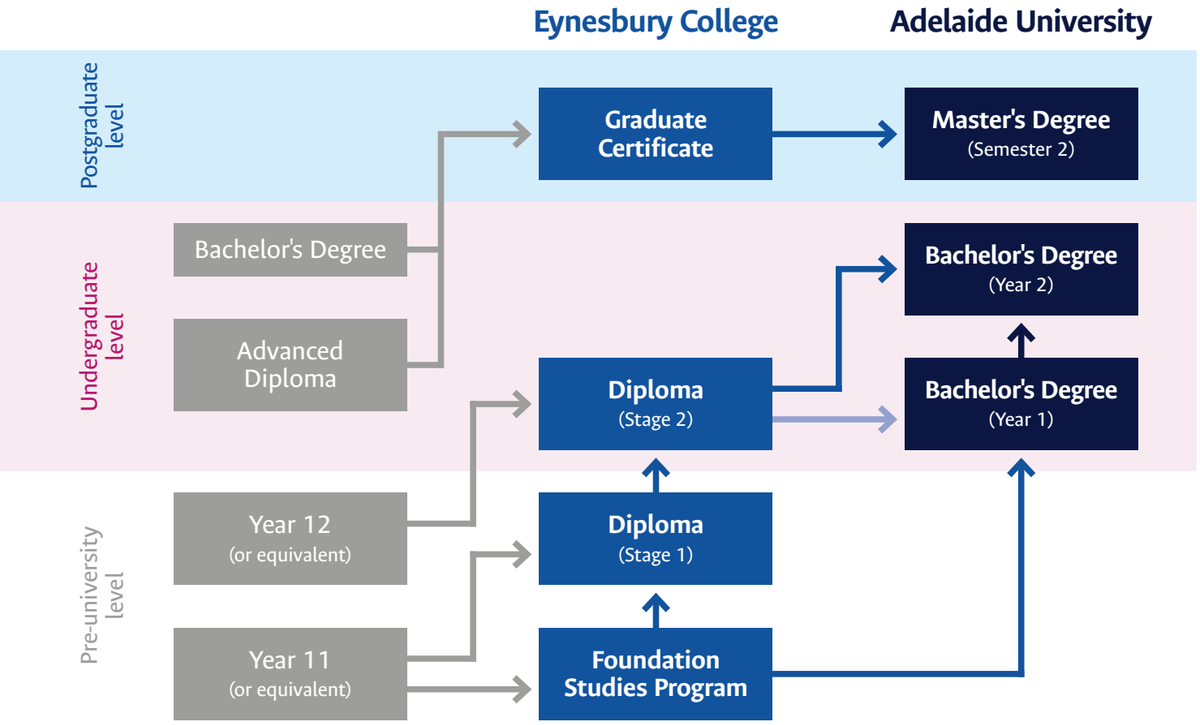
We offer Foundation Studies, Diploma and Graduate Certificate pathway programs designed to help you meet entry requirements and progress smoothly into your chosen degree at Adelaide University.

With flexible entry points and three intakes per year, you can begin at the right level for your academic and English background, with options to fast-track your studies.

Your pathway to success at Adelaide University

If you don't yet meet the entry requirements for direct entry into an undergraduate degree, you can start with Foundation Studies or a Diploma program at Eynesbury College. Stage 2 Diploma is equivalent to the first year of university and can be completed in two or three trimesters. After successful completion, you'll transition directly into the second year of a wide range of degrees at Adelaide University.

If you're working toward a postgraduate degree, Eynesbury offers a Graduate Certificate in Business and Management, designed to help you take the next step in your academic or professional journey. Complete our Graduate Certificate in one semester, then progress to the second semester of your chosen Master's degree.



Adelaide University

Why choose Adelaide University

Adelaide University is Australia's new university for the future ranked in the global top 100* and designed to empower individuals to be the best they can be.

Adelaide University is transforming teaching and learning by co-designing degrees with future employers. It will deliver nation-leading curriculum and exceptional student experiences, pursuing greater educational equality, expanding research partnerships and aligning with industry.

Its strategic direction will pursue its ambitions on the global stage and Adelaide University will be a member of the prestigious and research-intensive Group of Eight (Go8).

Adelaide University will create brighter futures for contemporary learners and global citizens, along with research that shapes society.

Aims to be sustainably ranked in Australia's top 5 universities for student experience.

Contribute A$4.7 billion to the Australian economy.
Adelaide University's activities will contribute an estimated A$4.7 billion a year to the Australian economy.

Find your degree at **Adelaide University**

Discover **Adelaide**

Welcome to Adelaide – one of the world's most liveable cities and your new home away from home.

As the capital of South Australia, Adelaide offers the perfect balance of vibrant city life, stunning natural landscapes, and a safe, inclusive community where international students feel supported from the moment they arrive.

When you begin your journey at Eynesbury College, you'll be studying in the heart of the city, either directly on Adelaide University campus, or in walking distance to the university. Adelaide's compact layout means everything you need is close by – world-class education, excellent public transport, lively cafes and restaurants, beautiful parks and beaches, and a range of job opportunities across hospitality, retail, professional services, and more.

You'll find Adelaide to be not only more affordable than other major Australian cities, but also incredibly welcoming and easy to navigate – a place where you can focus on your academic and personal goals, connect with others, and enjoy a high quality of life.

Things to do in Adelaide:

- **Explore Adelaide Central Market** – a foodie haven with fresh produce and global cuisine, located in the same precinct as China Town
- **Relax at Glenelg Beach** or take a coastal walk along the trendy Henley Beach
- **Attend world-famous events** like the Adelaide Fringe, OzAsia Festival, and WOMADelaide
- **Discover hidden laneway cafes** and multicultural restaurants
- **Visit cultural icons** like the Art Gallery of South Australia and the South Australian Museum
- **Cheer on sports teams** at the iconic Adelaide Oval
- **Take a weekend trip** to the Adelaide Hills, Barossa Valley, or Kangaroo Island

With a strong reputation for education, innovation, and student support, Adelaide gives you the ideal environment to thrive – academically, professionally, and personally. Your future starts here!

Student *life*

We're dedicated to giving you the best start to your academic journey, offering a supportive environment to help you settle into life in Adelaide, build connections, and thrive. With a bright future ahead, we're here to support you as you progress toward Adelaide University.

Dedicated academic support

Receive personalised support from our Student Learning Advisors to set you up for academic success. Assistance is available for understanding assignment requirements, managing study loads, adapting to university study and Australian teaching practices.

Experience true cultural diversity

Study alongside students from all over the world, including students who are local to Adelaide. You will have extensive opportunities to work within team projects and attend student events to get to know your peers more.

Enhance your experience by getting involved

Jump into student life by attending specific events designed to bring students together and introduce you to Adelaide. You will have access to join all Adelaide University clubs and sporting initiatives, gyms, libraries, and on-campus celebrations, as well as Eynesbury College's events.

Become a student leader

Each trimester, ambitious students will have the opportunity to develop leadership skills, achieve personal growth, and support the student community. Students will be able to help plan and assist in student-led programs, participate in student initiatives and events, and gain valuable soft skills that will contribute to their personal and professional development.

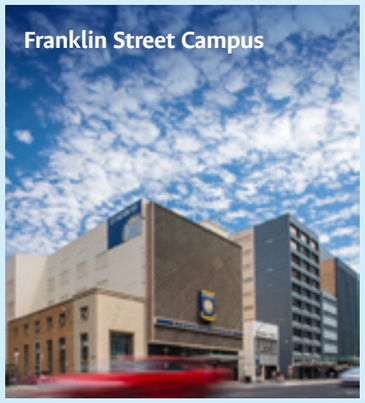
Extra personal support

We recognise that students may feel overwhelmed, worried, confused, or sometimes homesick and lonely. Qualified counsellors are available at Eynesbury College to meet with students if needed. Counselling is completely confidential, no matter how sensitive the matter.

Safety and security

Campus security is accessible on university campus 24 hours a day, seven days a week. There is also a dedicated university app to ensure your safety and wellbeing when on university campus.

Our campuses



Accommodation

There are a range of accommodation options available, from purpose-built student accommodation to residential colleges and homestays. Our accommodation team will help you find the right living arrangements for you. Airport pickup is also available to make sure you feel safe and secure even before you arrive.

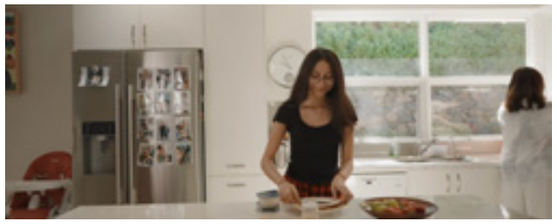
eynesbury.accommodation@navitas.com

If you're under 18 years old we need to take extra care of you. Your choices are marked with this symbol

Adelaide Student Lodge

Eynesbury has a long-standing relationship with Adelaide Student Lodge which is located within 20 minutes of the city centre. All bedrooms are fully furnished, including an air conditioner and access to a fridge.

- A$392.50 per week
- Full-board available (two meals a day)
- Shared bathroom



Homestay

Homestay accommodation gives you the opportunity to live with a local family in their home. You'll get to use English in everyday situations and experience the Australian lifestyle. All homestay hosts have met safety and welfare requirements.

- A$350 per week (all meals included, except lunch on week days)
  A$260 per week (cook your own meals)*
- Your own fully furnished bedroom
- Shared bathroom

* Students under 18 must take the meals included option

Student apartments and residences

Student residences are usually located in suburban areas, where you can get to know the real Adelaide lifestyle. Shopping centres and parks are at your door-step. Student apartments are located in the city centre and will generally cost more, however you are usually close enough to walk to college. All bedrooms are fully furnished.

- A$290 - A$650 per week,
  depending on location and room type
- Cook your own meals
- Ensuite bathroom

www.lincoln.edu.au
www.ysuites.co
www.switchliving.com.au

Independent accommodation

Independent rental can be a great option once you know your way around Adelaide. It can also be less expensive, particularly if you're sharing with other people.

Visit www.realestate.com.au and select 'rent'.

Be careful that you fully understand the terms of an independent rental contract. This type of accommodation is not arranged by Eynesbury. We do not recommend independent rental unless you're already living in Adelaide and feel confident to find your own accommodation.

- A$300+ per week for 1 bedroom, 1 bathroom.
  A$600+ for a larger house.
- Most rental properties are not furnished. You will need to buy furniture, cutlery, crockery, bed linen, towels and electrical equipment. You will also need to cover the cost of the electricity, gas and water for the house, plus your own food costs, internet and public transport (if in a suburban area).

All priced in A$. All accommodation types require a bond to be paid. This is usually equal to 2 - 4 weeks' rent. The bond is a separate payment and is not the same thing as paying rent in advance. For independent rental the bond is lodged with the State Government and will be reimbursed when you move out, provided there is no damage to the property and no outstanding rent or bills. You also need to give a minimum amount of notice if you decide to leave your accommodation. *Prices are current at the time of printing and may be subject to change.

Foundation Studies Program

The Foundation Studies Program equips you with the essential academic skills and knowledge needed for entry into Adelaide University. It prepares you for either the first year of a bachelor's degree or a diploma pathway, providing a solid foundation in key areas such as communication, problem-solving, and research to help ensure your academic success at university.

What you'll be studying

In the Foundation Studies Program, you will complete three core modules, and three elective modules based on your area of study interest. Assessment is based on a total score out of 500, which is used to determine your eligibility for entry into Adelaide University. This flexible structure allows you to tailor your studies to your future academic and career goals while building a strong foundation for success.

Core modules
Language and Communication (scored out of 100)
Clear Thinking and Logic (scored out of 50)
International Studies (scored out of 50)

Study interest	Electives (choose three worth 100 points each)
Business	Accounting, Fundamentals of Mathematics, Information Technology Studies, Mathematics, Psychology
Engineering	Chemistry, Mathematics, Additional Mathematics, Physics
Health Sciences	Biology, Chemistry, Mathematics, Nutrition, Fundamentals of Mathematics, Psychology
Humanities	Media and Social Studies, Psychology, Design Studies
Science	Biology, Chemistry, Information Technology Studies, Mathematics, Additional Mathematics, Fundamentals of Mathematics, Physics, Psychology

Location
Coglin St campus
Franklin St campus

Duration
8 or 12 months

Intakes
February, June and October

Fees (Subject to change in 2027)
A$35,120

Academic entry requirement
Year 11, or equivalent

English entry requirement
IELTS 5.5 (with no band score below 5.0), or equivalent

Please note some programs and degrees require additional English requirements for entry.

Foundation Studies Program (CRICOS code: 074931M)

"

Right from the start,

the team at Eynesbury helped me choose the right subjects, giving me the flexibility to apply for multiple health science degrees. They offered guidance on career pathways that matched my interests and gave me the confidence that I was supported, no matter what decision I made.

Emily
Foundation Studies Program and Bachelor of Dental Surgery graduate

Progression into **Adelaide University**

Once you successfully complete the Foundation Studies Program and meet the University's academic requirements, you can gain direct entry into **more than 200 undergraduate degrees** at Adelaide University.

Your Application **Journey**

Follow these six simple steps to begin your educational journey with us:

1 Choose Your Program

Before submitting your application, make sure to:

- Choose your preferred program and degree
- Decide which intake period works best for you

2 Check Our Entry Requirements

Ensure you meet the academic and English language entry requirements. If you don't qualify for direct entry into a diploma, you may be eligible for the Foundation Studies Program packaged with your degree.

Visit our website for the latest requirements: **eynesbury.edu.au/how-apply/international/entry-requirements/**

3 Confirm Your Start Date

With multiple intakes each year, plan ahead so you have enough time to:

- Complete any required English studies, and satisfy any conditions of enrolment
- Apply for your student visa
- Make travel and accommodation arrangements

4 Prepare Your Documents

You'll need to provide:

- A copy of your passport, visa, or birth certificate
- Certified copies of all academic transcripts
- Evidence of your English language ability
- Official translations for any non-English documents

5 Complete an Application Form

Apply through one of our trusted education agents.

Find an agent in your country: **eynesbury.edu.au/how-apply/find-agent/**

6 Accept Your Offer

If your offer is unconditional, you can accept by signing and returning an acceptance agreement. Congratulations! You can now use your Confirmation of Enrolment to apply for a student visa.

Eynesbury College is proudly recognised as a Navitas Advantage college

Eynesbury College is part of Navitas Advantage, a world-leading international education group offering premium study experiences to students from over 150 countries, in partnership with 39 universities across 12 countries.

As a Navitas Advantage college, we pride ourselves on helping students develop confidence and capability in all aspects of life, not simply academic study. In fact, Navitas Advantage colleges place equal value on the transformative experience we offer and the personal development of our students, as we do on their academic achievements. It makes our graduates better prepared for university life and beyond. You might only be with us for a short while, but the advantage will stay with you for much longer.

What is Navitas Advantage?

The Student - *Personalised Journey*

Advantage acknowledges that each student's education journey is unique; supporting students who want to explore the world, have new experiences and achieve great things.

The Product - *Academic Excellence*

Advantage offers premium pathway programs that help students jumpstart and advance their education, built on Navitas' longstanding reputation and success.

The Experience - *Life-Changing Study Opportunities*

Advantage offers new and transformative experiences to inspire curious minds and create exciting futures.
